Est. 175K

HISTORICAL ARTIFACTS

1. Historical canoes (including an Indian dugout canoe)
2. Small boats
3. Fishing gear
4. Nautical implements

Suspended from the ceiling over the walkways through the exhibit area are numerous artifacts, birds, fish, turtles, and at least one marine mammal. In the first section of exhibits historical artifacts and birds are photographically reproduced as "tiles," cut into the carpeted walkway below each item. Identification and brief interpretation is incorporated into each "tile." The following list of objects will be suspended:

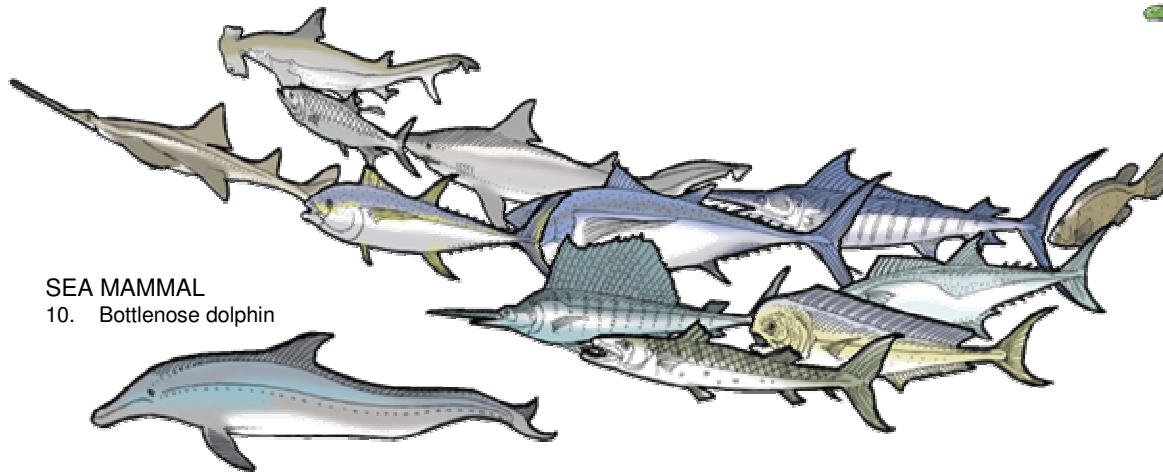

BIRDS

- | | | |
|----------------------|-----------------------|-----------------------------------|
| 11. Masked booby | 15. Wood stork | 19. Peregrine falcon |
